May 25-27, 2018
St Michael and All Angels Church
Prince George BC

With Guest Speaker
The Rev Dr Kara Mandryk

Please register before April 15, 2018

As Christians, we want to practice faith that involves pursuing justice, living with compassion, and addressing the very real needs in our society. However, that work must be rooted in and flow out of our worship and liturgy. Micah 6:8 issues the familiar call to the people of God – live justly, love mercy and walk humbly with God. At the Equip conference, we'll explore what God requires of us after the liturgy by looking to how we are formed by the liturgy.

Love Mercy
Act Justly
Walk Humbly
