

RETREAT MINISTRY REPORT TO ASSEMBLY 2017

It has been my privilege to initiate retreat ministry in the Territory after a few years' pause. Sixteen participants joined Sister Brenda Jenner SSJD at the Shrine in Cache Creek during Lent. Sr. Brenda encouraged us to live our faith based in simplicity. Our time together was short but rich.

Approximately a third of our number had never attended a formal retreat. Everyone expressed interest in another event in the fall. To that end, I will shortly advertise a date for a fall event again at the Shrine led by Bishop Gordon Light. Other directors and programmes are being considered for what we hope will be a twice-annual sequence of events.

Respectfully submitted,

The Very Rev. Ken Gray
